Beyond the Hurt is part of the Red Cross RespectEducation program. Its focus is on building healthy schools, healthy relationships and reducing bullying. Youth Facilitators will attend a two-day training session with a Prevention Educator and Adult Advisors. Following this, YFs are responsible for planning and presenting Red Cross Beyond the Hurt workshops to students in their grade or younger. Successful candidates will have the following qualities:

- Responsible (will seek out missed work during class time)
- Committed (will follow through for time spent at BJH)
- Willing to speak in public
- Willing to work with a variety of other YFs
- Genuinely want to make your school a better place
