We are an international Award program that champions young Canadians as they become the best they can be.

ABOUT THE AWARD

The Duke of Edinburgh's International Award is a global program with the goal of challenging, empowering and recognizing young people.

Since 1963, we have helped motivate young Canadians to set goals and challenge themselves to take control of their lives and futures.

The classroom is not the only place to nurture the potential of one of our country's greatest natural resources — our youth. We strive to reach young Canadians in communities across the country and provide a platform that helps them chart their individual lives and equips them with important skills.

WHAT DRIVES US

The program challenges young Canadians to develop skills and tools to improve themselves and their communities.

We encourage them to go beyond their comfort zone and ignite a feeling of self-confidence in themselves. Many young people, through lack of confidence, opportunity or education, feel incapable of affecting real change in their communities. Our unique program is designed to help them discover that they are more capable and powerful than they ever dreamed.
